

Attention Social Workers, Mental Health Professionals, and Individual/Family Therapists:

- Are you working with children and youth who are involved in the child welfare system?
- Are you interested in learning more effective ways of supporting foster and adoptive families caring for children and youth who have experienced separation, loss and trauma?
- Do you want to earn 12 Continuing Education Credits?

If you answered yes to these questions, this webinar series is for you!

The 3-5-7 Model® Overview and Applications Webinar Series consists of 8, 90-minute webinars. In the webinar series you will learn:

- the core components and theoretical foundations of the 3-5-7 Model®;
- key principles that frame the practice of the 3-5-7 Model®;
- strategies to promote storytelling as a natural and comfortable way for children and youth to give meaning to the experiences that have been central to their lives;
- how activities and exercises are critical to engaging youth in their grief and loss work;
- techniques and tools to help identify engagement strategies, monitor progress, and understand a child and youth's readiness for relational permanency;
- how the 7 Skills of the 3-5-7 Model® can guide the sharing of sensitive information with children and young people;
- strategies for exploring relationships through the attachment process;
- key anchor points that support movement from clarification to actualization, including recognizing birth parents as the foundation of permanency, identifying relationships with people of importance, exploring how important relationships will be preserved, and supporting the child/youth as they begin to accept caregivers who are not birth parents; and more!

Sessions are held weekly from Noon-1:30pm EST on the following dates:

9/28	10/12	10/26	11/9
10/5	10/19	11/2	11/16

\$500 program fee includes 8 webinar sessions and 6 monthly coaching sessions following the series.

This program is Approved by the National Association of Social Workers (Approval # 886913277-5894) for 12 continuing education contact hours. Must attend all 8 webinar sessions to receive credit.
